

Art and Design

Knowledge organiser – Playful making (KS1)

What will we be learning?

In this unit we will look at what sculpture can be and we will explore the work of other sculptors whilst taking a playful and inventive approach to making our own sculptures.

We will start voicing our response to sculptural artworks, including our own, and we will have time to explore properties of materials, and what happens when we join one or more materials together to construct new forms.

Key knowledge

- Art in 3 dimensions is often called Sculpture.
- We can generate ideas through playful exploration.
- We can understand the properties of materials through manipulation.
- Making sculpture is teamwork between materials, ideas, hands and tools.
- Explore artists: Christo & Jeanne-Claude, Faith Bebbington, Caitlind r.c. Brown & Wayne Garrett
