## Knowledge organiser – Remembrance (KS1)

### What will we be learning?

Pupils will be introduced to the concept of Remembrance Day and will learn why people in this country wear poppies in November. Through learning about Remembrance, pupils will understand that there are events beyond living memory that are significant nationally and globally, and that these are commemorated through anniversaries. Pupils will learn how to ask relevant questions about WWI and to deduce facts about the war based on their own investigations. Pupils will attempt to empathise with the people who lived through the war, and to use this knowledge to explain why it is important to remember significant past events, like WWI
