### Thank You

We would like to express our thanks to the parents and carers who are continuing to support us by following the government guidelines. Please remember that you must wear a mask, unless exempt and continue to remain a 2m distance from other households. It is also important to continue to follow the one way system.

As a community it is still important that we continue to follow the guidelines as lockdown eases.

### Trainers

Children are not allowed to wear trainers for school unless it is their PE day and they wear them with their Academy PE kit. Now shops are beginning to reopen, it is important that children return to wearing black shoes for school.

Uniform can be purchased from  
[www.michaelsegal.co.uk](http://www.michaelsegal.co.uk)

### Bikes/ Scooters

Please ensure that your children do not ride their scooters or bikes in the yard during collection and pick up times. The children must walk their scooter/bike off the school premises before riding. Thank you.

### Outdoor Classroom Day

Friday 21<sup>st</sup> May is Outdoor Classroom Day. The children will be taking part in a range of outdoor learning with their class. Please ensure your child is wearing suitable outdoor clothes including trainers or wellies on this day. Thank you.

### Important Notice!

Please be aware that we have children and staff in school with severe nut and peanut allergies.

No packed lunches are to include nut and peanut products.

We do understand that sometimes children like to bring birthday cake into school when celebrating. Please note that cakes will be checked at the office before being given out. If a cake does contain peanut, it will unfortunately not be shared. This is to protect our children and staff.

We appreciate your support with this matter.

## Absences

If your child is absent from school for any reason please remember to inform us by ringing the Main Office on 01670 812075 before registration ends at 9.15am. Please be aware that it is our policy, if you do not let us know and we cannot get in touch with you, we will ring the emergency contacts for your child or make a home visit.

Thank you in advance for your support.

## Parents/ Carers on campus

Please can I remind you that if you need to speak to a member of staff that you do so by phoning the campus 01670 812075 and make an over the phone appointment or email [admtb@bishops.ncea.org.uk](mailto:admtb@bishops.ncea.org.uk). This is to ensure everyone is kept safe. Thank you for your understanding.

## Walk to School Week

In order to support our local community with reducing cars on the road and carbon emissions, we are taking part in Walk to School week. This will take place Monday 17<sup>th</sup> May to Friday 21<sup>st</sup> May. Those children who walk (skate, scoot, cycle or Park & Stride!) every day are rewarded with a themed WOW badge. Children are not to ride them in the yard.

## Teacher Training Day

Friday 25<sup>th</sup> June is a teacher training day. School will be closed to all children on this day.

## Year 5 Swimming Lessons

The children in Year 5 will begin a weekly swimming session on Monday 10<sup>th</sup> May. This will take place for 7 weeks.

## Headlice

It is important to check your child's hair every day and to treat your child if any head lice are found.

## PARKING

We have received numerous complaints over the last few weeks about the parking outside of the campus. The outside of the campus is very congested at the beginning and end of the school day and those parents who collect their children by car need to be considerate and park in an appropriate space. The police have been informed of the complaints. The staff carpark is only for staff cars. Thank you.

## Spare Clothes

We are desperate for spare clothes (ages 6 and above) to store in the campus for when children need to be changed. Items such as knickers/underpants, socks and trousers/skirts etc. If you have anything you can donate in excellent condition we would be very grateful.

Thank you for your continued support,

Jessica Williamson  
Head of Campus
