

## Raising Aspirations at James Knott C of E Primary School

### Monday 18<sup>th</sup> October to Friday 22<sup>nd</sup> October

During this exciting week the children will be given the opportunity to explore the world of work and find out about some of the different jobs that adults do. They will find out about apprenticeships, higher education and future study and also celebrate Black History Month by studying the differences famous black people have made in the UK and beyond.

#### Monday - Aspirations Day

The children are invited to come in dressed up for a job they would like to do – We would like this to be ‘real jobs’ please.

During the week we will:

#### Explore future careers including:

Leisure industry careers  
Construction industry  
Police force  
Travel industry  
Mechanics/car industry  
NHS  
Hospitality Industry  
School based employment  
Creative industry including art, design and architecture  
Jobs using science, technology, engineering and maths (STEM)

Meet employers using Zoom and interactive websites as well as having visits from the construction firm Sendrg, and our local police.

Explore the routes that can be taken to future careers including higher education - sixth form, college, apprenticeship and university

Study Black History and the difference that famous black people have made in the UK and across the world.

To include:

Rosa Parks  
Marie Maynard Daly (First black woman to receive a PHD).  
Muhammad Ali  
Aretha Franklin  
Mary Seacole

**WE STILL NEED YOUR HELP! Would you be willing to give up an hour of your time to talk to the children about your job? Please talk to your child’s class teacher if you would be interested in helping out. We would really love to have some parent helpers.**
