

OUR VISION

Our school is named after William Leech, a kind-hearted local builder and philanthropist who provided affordable housing for those in need.

As a school that is deeply rooted in its community, we teach our children to support others, 'Encourage one another and build each other up' (1 Thessalonians 5:11)

Our vision is built around the parable of the wise builder (Matthew 7:24-25).

Just like William Leech's buildings, we want our children to grow on firm ground, secure in their values and education so they are able to grow into confident, resilient, young people with high aspirations.

Our LIGHT values — Love, Inclusivity, Goodness, Hope and Truth — shine through everything we do and are integral to our school's foundation.
