

"All Growing Together"

Bishops Primary School

NCEA Trust Sports Premium **REVIEW** 2025 - 2026

BISHOPS PRIMARY SCHOOL
Sports Premium Review 2025 / 2026
Date Reviewed: July 2026

Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school	
School focus:	IMPACT
All pupils to engage in regular outdoor physical activity across the year.	All pupils from YR – Y6 have taken part in a unit of outdoor learning at the Robert Stevenson Site for at least 6 weeks per class. Every Child from these year groups has been actively involved in treasure-hunts, team-building activities and whole-class challenges, to name but a few.
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement	
No specific SP spending allocation for KI2	
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	
School focus:	IMPACT
NUFC CPD staff opportunities.	Lesson support / CPD has been accessed by most staff across Bishops. The result of the training has meant that these staff have team – taught with NUFC staff. Teaching staff also have access to planning documents to support their learning.
Dance & Gymnastics CPD	All teachers from KS1 and KS2 have received a unit of sessions delivered by All Star Productions. Sessions have included Key Skills for each year group, Composition and Team / Group performance demonstrations. All teachers have had the opportunity to observe and lead all or part of a session directed by All Stars.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	
School focus:	IMPACT
Increase the after school club offer to Key Stages.	All clubs have been well-attended for this year. Some clubs have continued throughout the year meaning children have accessed many hours of coaching and physical activity since September. Football is particularly successful this year with many in attendance. A wide variety of clubs have been delivered including Football, Gymnastics, Fitness / Boxing, Multi-Skills, a large selection of Dance & Movement. Unfortunately, basketball was discontinued due to coach

	commitments elsewhere. However, we have introduced our new Darts club, which has been hugely popular and will continue next year.
Engaging children in additional sports in the community.	The introduction of using the local community leisure centre while dove-tailing swimming sessions with the other class has proven to be very effective. An additional 32 weeks has meant that an extra 16 hours of PE has been received by children at Bishops this year.
Key indicator 5: Increased participation in competitive sport	
School focus:	IMPACT
Entry to Pentathlon Sports events.	A selection of children across Bishops have been able to access 4 events with Smile Through Sport, including Multi Skills, Boccia, Kurling and Bowling. Funding paid for transport to these events. All children who attended received medals and certificates, increasing skills and confidence.
Ashington School Sports Partnership Competition network.	A selection of pupils from Years 3, 4, 5 and Year 6 have attended competitions including Quadkids and Tag Rugby as part of this network. All Year groups have accessed a whole class festival including Y1 Multi-Skills, Y4 Hula Hooping and Y2 Gymnastics, Y3 Tag Rugby, Y5 Football and Y6 Multi Sports. 100% of children have accessed either a Festival or a Competition through the Partnership.
