

For Louise and all my fab teachers..

It isn't always easy,
It sometimes isn't fun,
But thank you
So much for for being the one
Who listens, calms and guides me on my way..
The one who knows, just the right thing to say

The squeezes, tickles,
The endless giggles
I love "ready steady.. Go"
But I also like to wave "no"
I love to bounce and shriek
Every day of the week,
Explore toys,
Make lots of noise!
When I'm ready to learn
You have to be firm,
Hand over hand,
And I'll understand..
Letters and numbers
You show me how,
One day I'll know
But not just now.

Thank you for all your patience,
The lessons you prepare,
With all your knowledge you have to share
The fun things we do, its all down to you..

You make me smile,
When I'm feeling blue
The bad days we've had a few
But all made better, by the hard work you do.
Thank you for everything you do for me..

Love from
James
