Launching into Geography

Benchmarks 1-10

G1 - I can draw upon simple information from a map [point to land/water].

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G2 - I can match and sort characteristics based upon a given criterion [matching shapes and completing puzzles].

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G3 - I can talk about similarities and differences, including expressing my views on features of the environment that I find attractive or unattractive.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G4 - I recognise different weathers, including how to dress appropriately.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G5 - I can recognise the physical/natural features of places and use simple geographical language [beach, forest, hill, river] to communicate their ideas.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G6 - I can recognise the human/made features of places and use simple geographical language [shop, park, house, farm] to communicate their ideas.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G7 - I notice signs/symbols or representations for significant places within their environment.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G8 - I can respond to and use simple locational [beside, next to, between] and directional [forwards, backwards] language to describe routes and features.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G9 - I can use signs/symbols to construct their own maps.

Not Met	Shallow	Emerging	Developing	Deepening	Functional

G10 - I can use resources given to them and their own observations to respond to simple questions about places and people.

Not Met	Shallow	Emerging	Developing	Deepening	Functional
