Safeguarding Alert!

We have been made aware that several titles in the Spy Dog, Spy Cat and Spy Pup series by Andrew Cope contain a weblink at the back of the book that no longer directs people to information about the books, instead, the link has been compromised and now leads to inappropriate and unsafe material, containing pornographic content with no age restrictions. We have checked our library and classrooms. We advise that you check at home and remove any compromised copies asap. This may include other titles in the series. Thank you for your attention to this matter.

Tag Rugby Update

On Monday our Y6 Tag Rugby team took part in a festival at Kingsway High School.

The team played a round robin of games with 7 other schools, our team played well together, passing down the line and scoring try after try. Some great attacking skills were seen; grabbing tags at lightening speed and using their defensive skills too.

We finished in top place and are now looking forward to the final.

Halloween Disco Reception Children Tickets

The PTA has sent out a paper form that replicates what is on parent pay. This will allow you to book a ticket for the disco and notify them of any medical/allergy issues too. The form will need to be completed and returned with the cost of the ticket to a box which will be located in the main office of school. They will then ensure children from Reception are on the register and risk assessments.
