Year 2 Hat Museum

On Thursday 9th October Year 2 had a fantastic trip to Stockport Museum and the Hat Works.

The trip helped the pupils to develop their knowledge of Stockport's rich history as a mill town.

They learned about the process of hatting and made their own hats. The pupils were also excited to see the Viaduct, St Mary's church and the covered market hall which they had been learning about in class.

Year 6 Vaping Workshop

This week, our Year 6 pupils took part in an informative workshop led by the school nursing team about the dangers of vaping. The session helped pupils understand the effects vaping can have on their health and wellbeing, and encouraged them to make safe, healthy choices as they prepare for secondary school. The children asked thoughtful questions and showed great maturity when discussing this important topic.

Did you know...

that a packed lunch of the same nutritional value as a hot school meal is on average...

***90% MORE EXPENSIVE PER WEEK?**

Research conducted by School Health UK shows that even in the cheapest supermarket such as Aldi, a packed lunch is approx £8 per week more expensive. Adding £312 extra per year onto your shopping bill.

"Lily comes home everyday happy and satisfied with her lunch saying 'It was so delicious I wanted to go back for more!'"

Next week, school will be launching School Grid which is the meal ordering system Dolce use. This is a stand alone system and can only be used to order and pay for meals.

Further details, and menus, will be sent to parents next week, so you can set up your account ready for returning to school after the holidays.

Meals can be ordered daily, weekly, monthly etc and, like now, you can choose to provide your child with a healthy packed lunch if they don't want what's on offer on certain days.

Another Fantastic NBPS Harvest Fair

Our annual Harvest Fair was a great success, bringing together pupils, families, and staff for a fantastic harvest celebration after school. Alongside the fair, our school community collected tins, dried pasta, and other store cupboard essentials for the Wellspring charity, helping to support local families in need. This incredible effort was coordinated by our school councillors, who did an excellent job encouraging everyone to contribute.

A big thank you to everyone who came along and supported our young gardeners and entrepreneurs; we can't wait to see what they grow next!
