## Year 5 Visit from Fire and Rescue Service

On Monday, 2nd March, the Fire and Rescue Service visited Year 5. We discovered how fascinating a fire engine is and how many tools it carries to help us. We also found out what to do if our fire alarm went off in our house.

The children loved using the fire hose and seeing all of the equipment they use and wear.

We have included the Stay Wise website if you need more information.

<https://staywise.co.uk/>

They also asked us to share with you that you can have a free fire assessment of your home.

To check if you are eligible please visit:

HFSA - Greater Manchester Fire Rescue Service

## Year 5 and 6 Football

On Tuesday 3rd March, some of our year 5 and 6 students took part in our Stockport cup match against Broadstone Primary.

This was not the match we wanted to play! Broadstone played some fantastic football and scored some great strikes. However, we didn't give up and managed to get two goals through Leo and Arthur. The whole team performed so much better in the second half and made a real match of it.

Some special mentions for Nancy for her non-stop running and for Leo for being a presence up front and for scoring a great goal.

Man of the Match was Monty, for some superb save and not giving up!

Well done to all!

## World Book Day

Thank you all for your support as the children have had a fantastic World Book Day! They loved guessing the reader during assembly and enjoyed listening to different teachers read to them. However, the favourite was the reading dens!

The winners of the model competition were announced in this morning's assembly. Each received a £10 Amazon gift voucher to spend on books.

Finally, remember the local libraries have a wealth of books children can borrow. Additionally, with a library membership, children get free access to the Borrowbox app. This is like a free Audible to give children access to thousands of new and traditional books, both as audiobooks and eReaders.

# GROW STARS OF THE WEEK

## Reception

Rosie & Muhammad

## KS1

Year 1: Louis & Summer

Year 2: Alice & Thea

## KS2

Year 3: Leo & Bea

Year 4: Eesa & Rae

Year 5: Jack & Martha

Year 6: Hudson & Eve

## Year 3 - Skeleton Work

This week, as part of science, Year 3 have been exploring the human skeleton and learning about some of the different bones in our bodies. We have also looked at why our skeleton is important to us and what it helps to protect.

We then got some masking tape and created our own skeletons by sticking it on top of our clothes to show where the bones are in our body.

The children all loved it and learned a lot in the process.

Well done Year 3!

Mr Worth and Mrs Barrowcliff

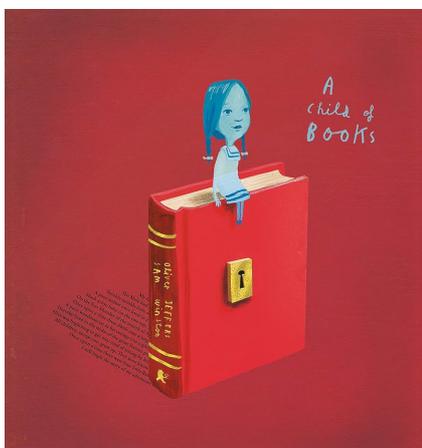

## Top Pick Book of the Week

**A Child of Books by  
Oliver Jeffers and Sam Winston**

In this inspiring, lyrical and poetic tale, a little girl sails across a sea of words to invite a small boy on an adventure through forests of fairy tales and across mountains of make-believe, unlocking his imagination and transforming him forever.

To celebrate World Book Day, here is a visually stunning book that celebrates the importance of stories and the simple joy of reading. Perfect for all ages, this picture book features a unique blend of both illustrators' signature styles that will engage the younger reader, whilst the text-heavy illustrations will encourage older readers to hunt for words taken from over 40 classic children's stories.

*I am a child of books. I come from a world of stories.*
