Year 3 - Ancient Egyptian Mud Bricks!

On Wednesday, Year 3 were very lucky to have Ayla's grandma come into school to share her knowledge about Ancient Egyptian mud bricks.

The children loved learning all about how they are made and how they were used. An invaluable experience for them all. A huge THANK YOU to Ayla's grandma for giving up her time to help the children with their learning!

Football

On Tuesday, we took a Year 3 and 4 boy's team to Stockport School for a football tournament. They had a wonderful afternoon showcasing their skills and teamwork. We saw some fantastic attacking play from Isaac who drove us forward with confidence and some brilliant, committed defending from Broadie. Jake also impressed us with a series of excellent saves. The whole team worked hard and supported each other. The team finished 5th overall and should be incredibly proud of themselves.

Thank you to all the parents who helped transport the children.

Year 5 News

During our rain forest topic, Year 5 have written powerful, personification poems about protecting the rain forest.

We decided to send these to our local MP to find out how he was taking care of our local environment.

We were really excited when he replied to us!

More Football News!

On Wednesday, our Year 3 and 4 girls took part in tournament at Stockport Academy. The team played brilliantly from start to finish.

During the Round Robin stage the team didn't concede a goal which took the team through to the semi's which they won. There was some amazing saves from Skyla and a fantastic goal from Lexi.

Into the final we went against a tough Hursthead team. They worked so well with some great defensive moments. However, the final result was a 1-0 defeat.

The girls should be incredibly proud of themselves.

As always, thank you to the parents who help to transport the team and for their support.
