Stockport Great Science Event: What will you ask, investigate and share?

On Thursday 18th June, Norris Bank were delighted to take part in the Stockport Great Science Share Event at BASF Stockport Exchange. Eight Year 6 pupils were chosen to represent the school, and they did a fantastic job.

During the event, the children shared a scientific enquiry they had carried out in school with children from a range of other schools across the borough. They also had the opportunity to explore and take part in a variety of other investigations, which sparked lots of curiosity, discussion and excitement about science.

Our children really stood out for their clear explanations and confident presentation of Darwin's finches experiment. They demonstrated a strong understanding of evolution and were able to talk about their learning in detail, answering questions confidently and with great enthusiasm. It was wonderful to see them so engaged and passionate about their work.

Throughout the day, the children represented Norris Bank brilliantly, showing excellent behaviour, teamwork and a positive attitude. They embraced every opportunity and made the most of this fantastic experience.

We are incredibly proud of all eight pupils. They were excellent ambassadors for our school and should be very proud of themselves. Well done to everyone involved!

Bridgewater Extravaganza

On Sunday 21st June, our school choir had the opportunity to represent the borough of Stockport at the Greater Manchester Celebration Concert, held at the Bridgewater Hall. This was a lovely opportunity for the children to perform alongside other schools from across the region in a very special setting. The choir sang with enthusiasm and confidence and were a real credit to the school and their families. Performing in such a well-known venue in front of a large audience was a memorable experience, and the children approached it with maturity and pride.

We would like to thank all parents and carers for their support in making this event possible. Your commitment is very much appreciated. Our thanks also go to Mr Worth, Miss Quinn and Mrs Furness for supporting the choir, and to Mrs Furness and Furmidge for organising the event and ensuring the children had a positive experience.

Colour Run!!

To round off a brilliant Active Week, pupils took part in a vibrant and energetic Colour Run on the field. As they made their way around the course, they were cheered on by staff while bursts of colourful powder added to the excitement at each stage. The atmosphere was fantastic, with plenty of laughter, teamwork and encouragement throughout. It was a wonderful way to celebrate a week focused on health, activity and enjoyment, and a memorable experience for everyone involved.

Road Safety

During the week beginning 8th June, our pupils took part in a range of engaging road safety activities across the school. These included Year 2's practical Step Outside pedestrian training, Year 4's Headsmart session on the importance of wearing bicycle helmets, and Year 5's hands on Crashed Vehicle Project, where pupils explored how road collisions occur and learned about the safety features built into modern cars.

The children approached each session with maturity, curiosity and a real sense of responsibility. We were particularly pleased with how sensibly and respectfully they conducted themselves throughout the week, showing excellent behaviour and making the most of these important learning opportunities. They represented the school brilliantly when working alongside our visiting road safety educators, and we are very proud of them all.

PTA Summer Fair Update

Thank you to everyone who supported our summer fair after school today. It was wonderful to see so many families come together and the atmosphere was fantastic throughout. The pupils clearly enjoyed themselves, and events like this make a real difference to our school community. We are very grateful to the PTA and to our staff team for the time, effort and organisation that went into making it such a success. Once all proceeds have been counted, we will share the final total with you all. Thank you again for your continued support. It genuinely makes a difference for our children.

DATES FOR THE DIARY

[For a full list of dates for the 2025-26 academic year, please see our Annual Planner which can be accessed by clicking on this link.](#)

Date	Event
July	
1st	Reserve date for Sports Day
2nd	Transition day for Year 6
8th-10th	Year 4 residential to Northumberland
10th	Annual reports sent home
