WHERE DO WE BELONG?

In the Summer of 2024, our Year 1 and 2 pupils embarked on a cross-curricular Learning Expedition called 'Diverse Doncaster', which looked to answer the Guiding Question 'Where do we belong?'

In this Expedition, we used a combination of three case studies (Art, Geography, History) to answer the following questions...What makes Doncaster unique?...What makes us unique?...and finally...Why visit Doncaster?

The final product drew together learning from all three case studies to create this interactive map of Doncaster that contained examples of our beautiful artwork and information about landmarks in Doncaster.

Doncaster Mansion House

Doncaster Mansion House opened in 1749. It is a Grade 1 listed building. In the past mayors would have lived here. Because it is a Grade 1 building you can't knock it down and replace it. It is located at 45 High Street which is in the city centre.

James Paine designed the Mansion House. He was an English architect. He also designed Chatsworth House and Thorndon Hall. He was born in 1717 and died in 1779.

Did you know?...
There are only three mansion houses in England. One is in Doncaster, the second is in York and the third is in London.

DIVERSE DONCASTER

Doncaster St George's Minster

Doncaster Minster is in the centre of the city. It is a beautiful Grade 1 listed building dating back to the 11th century. In the grounds of the Minster there is part of the wall from Roman times. The Minster has a large stained glass window and 8 bells.

Mosques

A mosque is an Islamic place of worship for Muslims. The word mosque comes from the Arabic word 'masjid'.

Muslims worship Allah - they study a holy book called the Quran and hold special services on a Friday.

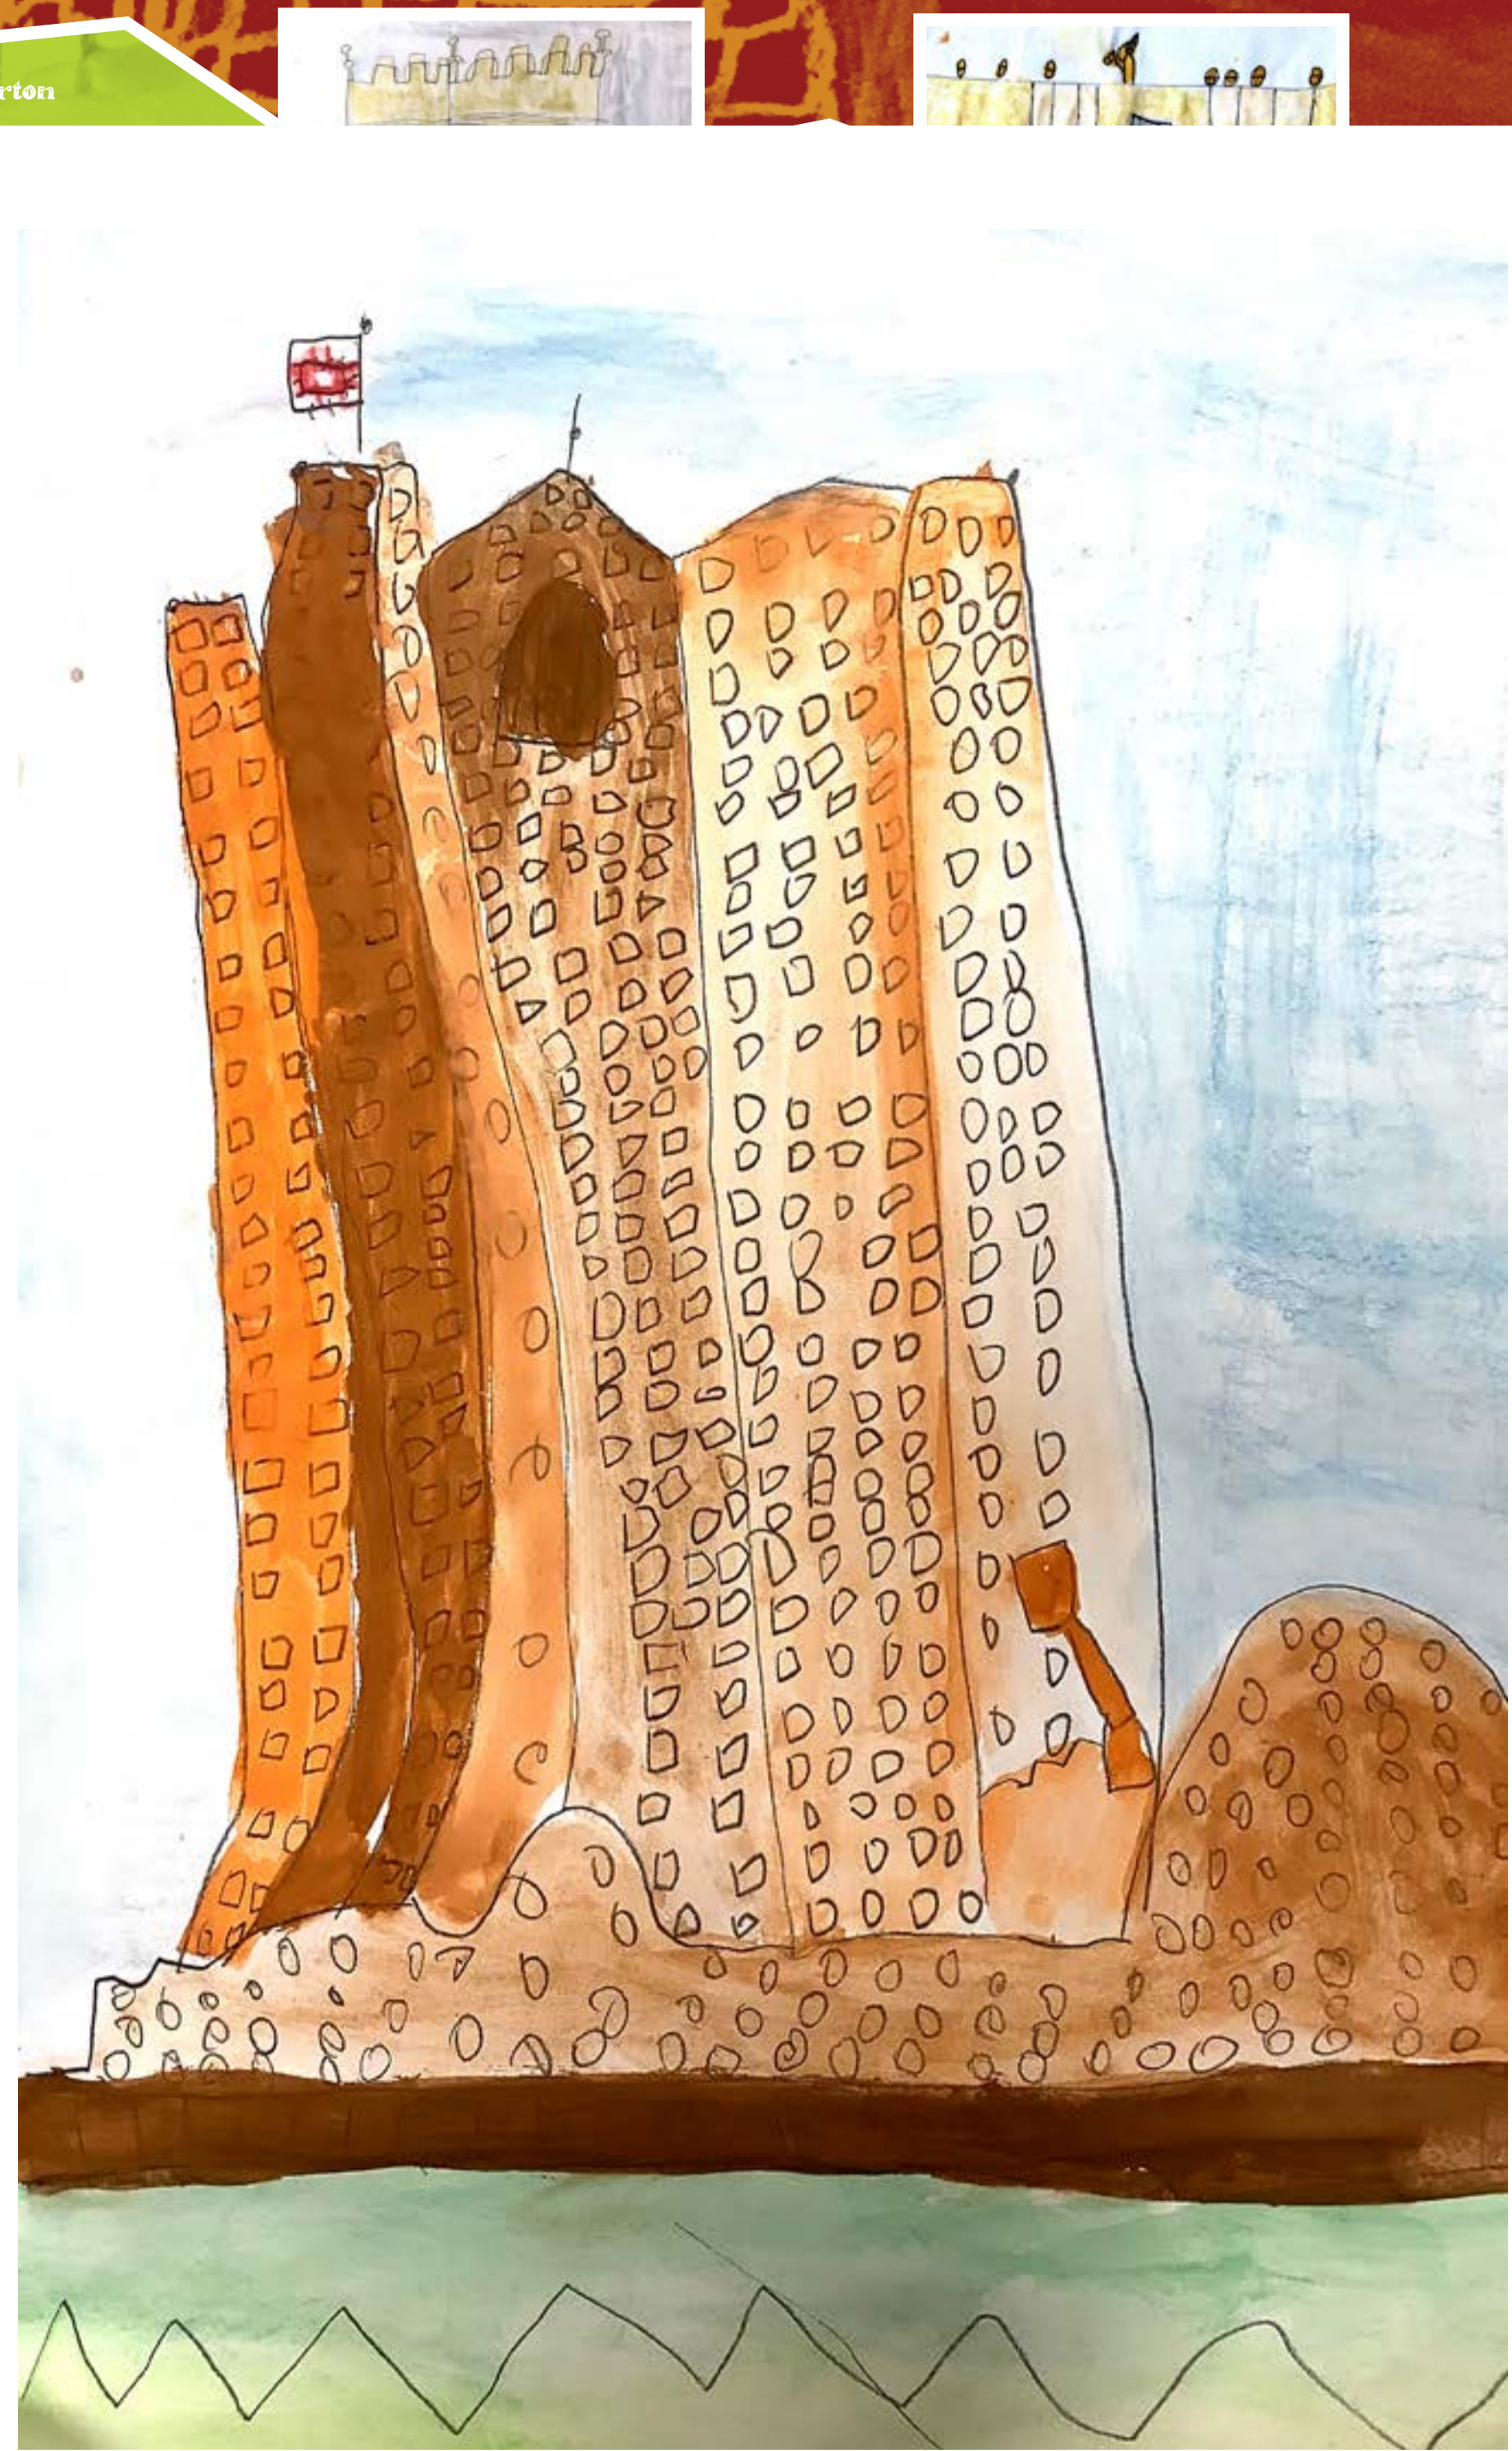

Mosques are found all over the world. The biggest mosque is in Mecca, Saudi Arabia. It is called Masjid al-Haram.

In Doncaster we actually have two mosques. One is called Doncaster Jamia Masjid and the other is Doncaster Jamia Masjid Sultania.

Did you know?...

Everybody must remove their shoes before entering a mosque.

DIVERSE DONCASTER

Conisbrough Castle

Conisbrough Castle is very old. It was originally built by William De Warenne in the 11th century. The castle that we see today was largely built out of stone in around 1180. It sits on top of a hill in the town of Conisbrough, about 5 miles from the centre of Doncaster.
