

This is what a Diya Lamp looks like.

In Art, we are going to make a Diya lamp for a Diwali celebration and make Rangoli bunting?

In this topic I will learn:

Mehndi patterns are part of Indian culture and are used as part of henna designs and Indian clothing.

Henna is used to create body art and decorative designs. Henna is made by using powdered dry leaves of the henna plant. One of the oldest cave paintings made from henna can be found in India.

Rangoli is made using materials found in nature so both rich and poor people can make Rangoli patterns.

A sculpture is a work of art that is produced by carving or shaping stone, wood, clay, or other materials.

Top Five Funky Facts

1. Traditional diya lamps are small clay pots filled with ghee or oil, containing a cotton wick. Many Hindus light a diya as an act of daily worship.
