

Christ the King's Virtual Mountain Climb Challenge

Help us move mountains to raise money for our new Playground!

Dear Parents, Carers and Children,

As you know, our new Key Stage 2 playground looks fantastic. During a school council meeting it was discussed that we would like our children in Key Stage 1 children to benefit from a more exciting playground for break times and PE lessons. We would like to ask for your help to make this possible.

Throughout February, we challenge you to become a Mighty Mountaineer and choose a mountain to climb.

Choose your challenge:

Bronze Roseberry Topping- 5 flights of stairs per day.

Silver Ben Nevis- 20 sets of flights per day

Gold Mount Everest- 131 flights of stairs per day.

One flight of stairs is equivalent to 15 steps.

We will be asking for sponsorship to complete the challenge via Parent Pay. Any contribution would be greatly appreciated to help us achieve our goal.

Many thanks,

Miss H Lickess
