

# Vision Statement for RE

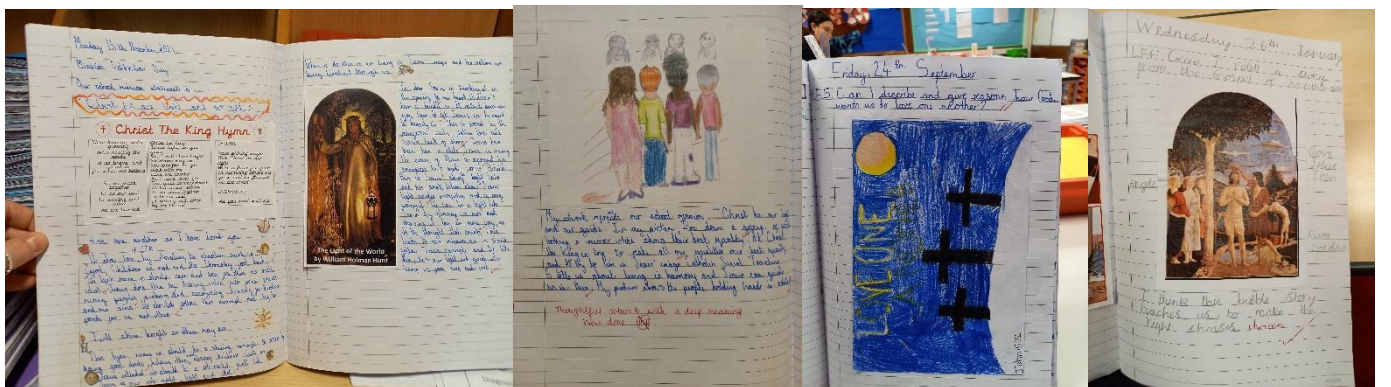

At Christ the King, we endeavour to provide an engaging and relevant curriculum within RE, using the Come and See Programme of Study. This curriculum enables children to explore Christ, to help them learn how to live in His image. We celebrate the Sacraments and explore different events throughout the liturgical year. With Christ as their light and guide, children develop a secure understanding of the Catholic faith and are encouraged to respect and have an awareness of other faiths and cultures. Children are encouraged to develop a deeper understanding of God and build and strengthen their relationship with Him.

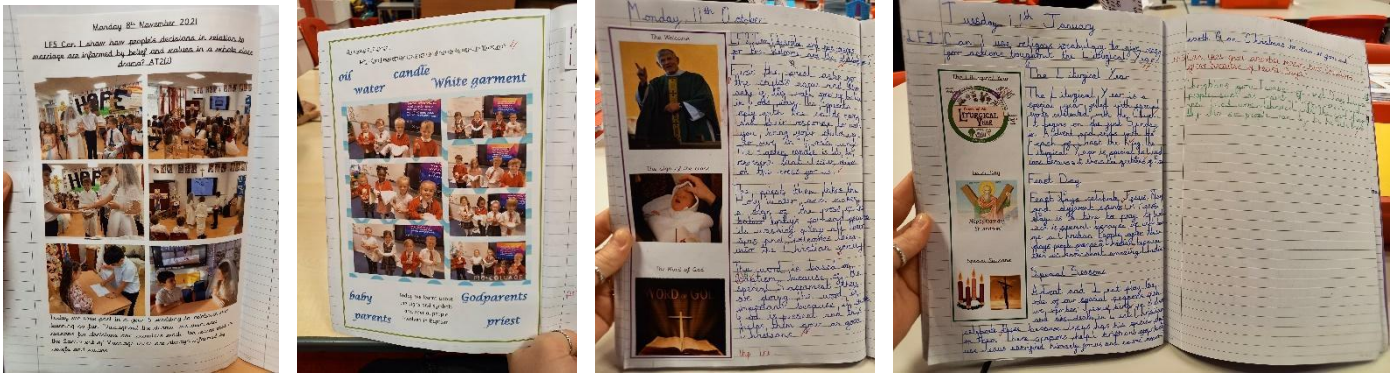

Our curriculum is relevant and engaging:

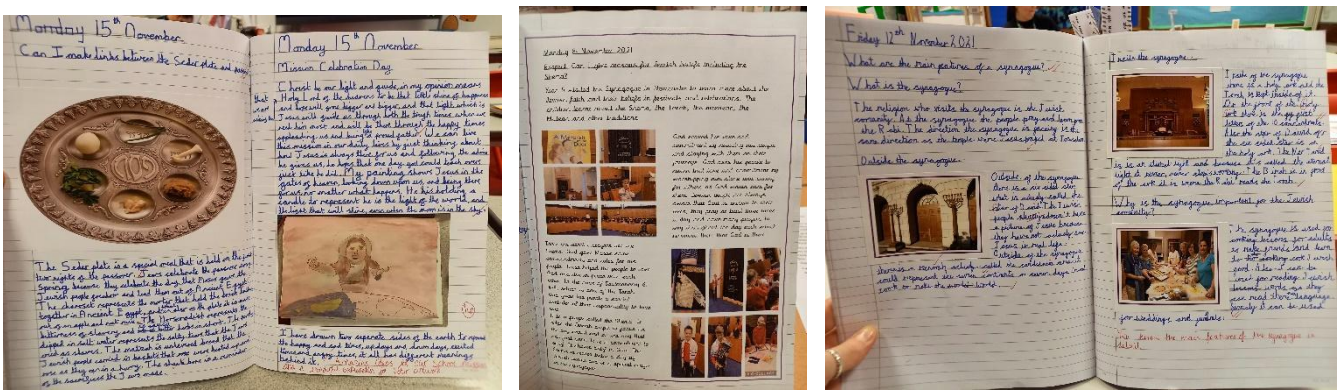

Children explore Christ to help them learn how to live in His image:

We celebrate the Sacraments and explore different events throughout the liturgical year:

We respect and have an awareness of other faiths and cultures:

We develop a deeper understanding of God and build and strengthen our relationship with Him:
