

SACRED HEART
CATHOLIC SECONDARY SCHOOL

28th May 2021

Y10 Assessment Points

Dear Parents/Carers,

As part of our continued dedication to improving the learning and progress of pupils at Sacred Heart we introduced three assessment points throughout the year to give teachers a clear understanding of the learning taking place and to ensure that pupils are achieving their full potential in each subject.

Unfortunately, due to COVID-19 Assessment Point 2 did not take place but Assessment Point 3 will be **Monday 14th June 2021 - Friday 25th June 2021.**

During this assessment window, your child will take part in "in-class" assessments. The assessments are designed to check understanding and retention of knowledge from the start of the GCSE course. The assessments will be carried out under exam conditions and normal exam rules will be applied. Your child has been given an individual exam timetable.

With Year 10 preparing for their GCSE exams, it is vital that students learn to revise effectively. With this in mind, a revision timetable has been prepared for students, along with a checklist of what to revise for each subject.

Your son/daughter will also be given a list of resources and techniques to support them in their revision for each subject. We expect all students to manage their own revision in order to prepare them not just for these in-class assessments, but in preparation for their formal GCSE exams. This preparation will instil strong study skills to give students a good foundation for further independent study in Year 11.

As always, your support is greatly appreciated; Year 10 can boast some exceptional students and it is with your support and motivation, as well as students' robust revision and hard work, that will bring great success and pride for all.

Results of the assessments will be shared with you and your child through the normal reporting procedures. End of Year reports are due to be sent home during the last week of term.
