

Here at St Francis Xavier School, we are dedicated to providing the best teachers for our children. While experience is important, supporting those starting from scratch as trainee teachers is essential to cultivate passionate educators who truly resonate with our school community and culture. That's why we're thrilled to share some exciting news!

We are now proudly partnered with Red Kite Teaching School Hub, tasked by the Department for Education to boost teacher training in the North Yorkshire region. Our school has been chosen to be one of just seven Initial Teacher Training Champion Schools, thanks to our impressive track record of nurturing and developing new teachers.

As a Champion School, our mission is to spread the joy and rewards of a teaching career. We want to inspire members of our community to consider this fulfilling path and guide them through the application process. Additionally, we aim to highlight the many reasons why North Yorkshire is a fantastic place to live and work, and what makes teaching here so special.

We are honoured to undertake this vital role alongside Red Kite and the DfE! If you are interested in learning more about becoming a teacher in North Yorkshire, please reach out to us or visit the Red Kite Teaching School Hub website: [Red Kite Teaching School Hub - Initial Teacher Training](#)

Join us in making a difference and celebrating the unique charm of teaching in our beautiful county!
