Please leave any further comments you wish to make:

'My daughter loves this school. She is super educated and has lots of friends. The school is very inviting, friendly, easy to talk to people, fun to be at whilst doing lots of different activities.'

'SMC is a fantastic school. I realised how much when my daughter left for senior school. She missed the 'family feel' that SMC provides. I am happy that both my children have been part of the SMC family it has installed confidence and security within themselves, my son leaves this term. Thank you all SMC staff.'

'I've always been very happy with my son at school and he enjoys school. The staff are so pleasant and always happy to help. Couldn't ask for anything better. Keep up the fantastic work Miss Mac and staff.'

'Any concerns at Nursery I have raised have been listened to and acknowledged.'

'Brilliant school the children are at the heart of everything SMC does – they are very actively involved.'

'Very good school with supportive staff and a good working ethos. Encourages children to achieve their best, be positive whilst installing values of respect, faith, kindness and to create friendships.'

'The school is a fantastic learning environment. Every member of staff encourages my child's learning and development. The breakfast club staff are all really friendly and lovely and provide essential childcare prior to school as both me and my husband work full time. Mrs McNeill has given my daughter so much confidence and helped her transition from Nursery to Reception. Mrs Stammers encourages my son to focus on his learning and makes it fun. Miss McNicholas is a fantastic Headteacher who runs the school in an efficient and caring way.'

'My children, husband and I love the family feel the school has. I have on numerous occasions suggested/recommended SMC as the school for my friends children to attend.'

'My daughter loves her 'Margaret School'. Staff are very welcoming. Excellent school all around!'

If the parent 'disagree' or 'strongly disagree' to any of the questions, I asked them to give detail of the negative feedback.

Q2. My daughter wants to stay at home and is nervous (nail biting) and schools not safe. This is what she has said to me but I'm sure she's quite safe at school, but agree with her she's nervous or anxious about something.'

Q8. Not making progress, but is not fault of the school and it is not meant to be negative on the school it is down to my sons ability.

Q10. 'Whilst I am fully aware of the importance of homework I feel it is often difficult to fit all in and get completed on time. (My daughter is tired and has other commitments outside of school.) I feel there is a large amount sometimes to complete with the set timescale and other factors to take into account. We do however try our utmost to do as much as possible or most of it to a good standard.'

Q17. 'Most information is put on Facebook and also newsletters, but for example the remembrance service I was not aware of this and I was told all children were asked – but my son keeps home/school separate and does not always communicate these things but in this instance would have been nice to attend.'

'The only concern we have is clothes going missing and not being returned by other parents.'

'My son gets frustrated with school and in my opinion I don't feel there is much freedom for children within school I feel it is so structured. Children can't run, shout, play on the tyres and have the freedom they need.'

'My daughter does not like school and so I feel she does not give 100% and gives up very easy.'
