Further positive comments made by parents:

Our children are very happy at SMC and are always encouraged to be the best they can be. The opportunities for parents to engage with school life are excellent and varied. We couldn't ask for a better school - thank you!

Sarah is a very happy girl at school and I am very happy too.

I selected disagree for clubs as I don't think there is clubs for nursery children.

The nursery has done brilliant with my child, he has gained so much confidence and he amazes me everyday with what he has learnt from school. I can't praise the teachers enough. Thank you.

Thank you and everyone for an excellent education.

My child is happy and confident at school. Thank you for everything you do.

I feel my child is developing in this school. The teachers are very kind, focused and caring. I feel if I have needed to speak to a teacher/PSA about my child it has always been dealt with professionally and effectively.

The best school goes above and beyond for our children. My son is so happy here. All staff are amazing. Breakfast club is fab I could not go to work without it, so thank you keep doing what your doing! Fantastic head teacher.

I am so happy my daughter is part of this amazing school. As her first year in school, she loves to come every day. She also says her teachers (all of them) are so nice and always very caring. She is sad she is not with Mrs Adams but looking forward to go to Year 1.

I have no complaints, such a brilliant school.

Excellent school, amazing teachers. SMC is a family. Kept informed throughout the year about my child's progress. Amazing FREE ASC activities which my child thoroughly enjoys. Great rewards system- especially passport rewards to encourage continuous

good behaviour, to great opportunities for bronze, silver and gold award throughout the year. My child is encouraged to shine in all areas. Any 'problems' are dealt with immediately. Communication is excellent, sharing info on all platforms so that it is accessible to everyone. My child loves coming to school which is reflected by his 100% attendance.

I couldn't ask for more supportive /caring staff to teach/ look after my child. So many opportunities to try something new, different and fun. I know my child is in good hands when she is at school and that puts my mind at ease. Thank you.

Not one of the questions- but my daughter has a peanut allergy and the school have supported this brilliantly. Especially Mrs Butler, who is always double checking with me that certain things are safe for her to have! I really appreciate how my daughter never feels left out because of her allergy!

Could not be happier with this school. I am happy knowing my child is happy, cared for and given as many opportunities as you all provide. I will be sad to leave the nursery teachers they have all been amazing but if the rest of the school are like them, I know we will love it.

I don't feel like we are given enough information on how our child is progressing/struggling I think there needs to be more one to one with the teachers or even a small update how my child is doing throughout the year.

It's been a wonderful experience in SMC, my kids are so pleased with the school that they don't want to miss a day from school.

The teachers and pupils are so friendly and accommodating. One year spent in the school seems like we have known everyone since my kids were born.

This school is absolutely amazing. My older children who are now 21 and 18 attended as well and it was an amazing school for them. They go above and beyond for every pupil who attends - well done!!!!!!

St Margaret's has been a wonderful school for my daughter's primary education. All of the staff have been amazing and give support and guidance where needed. I always speak highly of St Margaret's and would recommend the school to friends and family and the community.

My daughter is currently waiting for an assessment for dyslexia and dyspraxia. I feel my daughter is receiving the right support whilst awaiting these assessments.

St Margaret's is such a fantastic school. All of the teachers have been so supportive of both of my children inside and outside of school. To be in this school feels like you are part of one big family. Thank you to everyone!

??? enjoys coming into school. She is always feeding back to things that she has done throughout the day. 100% the best decision choosing St Margarets!

The school is amazing and I wouldn't have them in any other school!

It is a fantastic school staff will go above and beyond to help.

Caring supportive school that gives my child an excellent education in both her academic and faith learning. Thank you, teachers and all staff, at St Margaret Clitherow's – God Bless.

The teachers, teacher assistants go above and beyond with all the children. For a child to thrive they need the need comfort, fun, to be heard, balance and this is provided and beyond by the amazing teaching team. I feel included ad a parent. The breakfast club and after school clubs provide additional support not only to me as a parent but to my child. She is thriving, loves the school and is the most important thing to me, her happiness and St Margaret staff are part of this. Thank you xx

You have gone above and beyond to support my child and her needs – thank you!

Honestly could not wish for a better school love everything about it and couldn't fault a thing.

I cannot fault anything in this school as my child's education, safe and well being is always a priority, my personal preferences however are to receive letters rather than emails to receive communication from school as emails have not always been received regarding important things, i.e. about trip consents etc and we have sometimes experienced difficulties with Arbor too, a letter of consent is my preferred method.

SMC family, thank you so much for everything you do for our children, stay blessed!

Really happy with the schools and teachers – brilliant, thank you!

I am very happy with SMC, I have had no issues. I am pleased with my choice of school for both my children.
