

NPCAT GOVERNANCE DIVISION REVIEW

Dear Parents,

As part of the Trust review of Governance structure we have identified you as a member of a key stakeholder group and request your input in this exercise.

Your input will be vital in giving an insight into our current structure and inform possible recommendations. To this end the link below in green enables access to a number of questions that are aimed at gaining an insight into our Central Governance support provision. It is hoped that this survey could be completed by May 8th. This review will begin on Friday 1st May and take four weeks to complete. All findings and any recommendations will be set out in a final report by 30th May 2020.

Kind regards

Hugh Hegarty CEO
