Dear Parents and Carers,

Thank you for your support this academic year. A year that has presented so many challenges. As a Trust, we aim to provide our pupils with the very best. I know our school teachers and support staff have really played a remarkable role in affording pupils with the very highest levels of care and tailored programmes of learning with the limitations presented by the restrictions of Covid.

The summer break is a time to move away from the school routines and provides an opportunity to reflect on the progress we are making whether as an individual, as a team, a school or a Trust.

Your commitment to the vision of NPCAT and your endorsement of our excellent family of schools is very evident and much valued.

I hope you have an enjoyable break from school and I look forward to welcoming you back with all your sons and daughters in September.

Blessed Nicholas Postgate pray for us.
