

# Year 3 Newsletter

## Learning in the classroom

### Maths

We are currently exploring key concepts in place value for numbers up to 999. To extend our learning we have been looking at worded reasoning questions to challenge ourselves.

### English

Our class text is 'Here we are' by Oliver Jeffords. Year 3 love this text and it has provided them lots of opportunities for reflection of our current situations in a sensitive way. We particularly love the mindfulness activities.

### RE

Our new topic is 'homes' and we have been looking at Paul's letters in the new testament in order to explore God's vision for a loving home.

## Collective Worship

In class we pray several times a day and frequently come together to praise God in different ways.

## Key Dates and Information

### PE Days:

Tuesday—MFC

Friday—Urban Kaos

### Reading Days

Monday—Green

Tuesday—Yellow

Wednesday—Blue

Thursday—Red

*Please bring in your home record and banded book on these days.*

## Spellings

We practise our spellings and handwriting every day in school and our tests are on Fridays. Spellings should be practised at home and are included in each child's weekly homework on Google Classroom.

## Homework

Homework is set weekly on Google Classroom. Children should photograph and upload work from their blue books here.

## Home Learning packs

Home learning packs have been sent home solely to be used in the event of school/ Year 3 bubble closure and should include a workbook, worksheets and a pencil. In this event, work will be set daily on Google Classroom.
