The BIG Question - Summer 1

Can we sail the seven seas?

We will be exploring our big question through the sharing of fiction and non-fiction texts such as 'Tiddler' and pirate stories. Activities will be linked to areas of learning such as creative and understanding of the world. We will write about under the water sea creatures and make our own silly creatures too!

The BIG RE Questions this term:

Local Church - Community - Good news

What is good news?

Eucharist - Relating - Friends

Is it good to have friends?

Our World

What makes our world so wonderful?

The BIG Question - Summer 2

What makes our world so wonderful?

We will be exploring all about our wonderful world with specific links to the RE theme too. We will be exploring the physical aspects of the world and the natural world around them. We'll be making links to CAFOD and helping them to understand the need to respect and care for the natural environment and all living things.
