Project 35:35

He has filled them with skill to do all kinds of work as engravers, designers, embroiderers in blue, purple and scarlet yarn and fine linen, and weavers—all of them skilled workers and designers.

~ Exodus 35:35

In these times of uncertainty, there are many who may question how anyone can possibly believe in God and, if they do, why He would let something like this happen.

Despite this, believers are flooding social media, reaching out to their places of faith, as faith leaders reach to them in return. They pray in earnest and yearn to be back in their places of worship. Why do they do this? What is your response in these times?
