My child started this school in year 1 and has came a long way since starting, her reading is amazing now and I feel she is recognised a lot more in this school more than her old school. She was very quiet when she started and has came out of her shell a lot thanks to your amazing staff at the school. Thank you all and you are all doing an amazing job.

My children have not experienced any bullying at this school but I have full confidence that it would be dealt with quickly and effectively. The wider life of the school, both in and outside of school is something to be celebrated. The staff in both Nursery and Reception have gone above and beyond lessons this year to provide my children with a rich EYFS curriculum that develops them academically as well as personally.
