

What am I learning?

Maths

I can recognise how many people I can fit on the sheet.

I know how many will be too many to move.

Personal, Social & Emotional Development

We are trying new things and developing our resilience when our idea doesn't work. We are building strong friendships and we can talk about how we feel

Understanding the World

We can use our senses to explore the world around us. We are gaining our confidence when exploring properties, and we are noticing differences in how we move our friends.

Communication and Language

I am negotiating, communicating and organising my ideas with my friends.

We are teaching each other new words.

We are sharing our ideas and agreeing methods and processes.

Physical Development

We are developing our physical movement skills, core and body strength, agility, balance and coordination.

This is helping us to develop good fine motor skills to form the foundations for handwriting.

Maths

We are learning to compare the length and height of our track and decide how high we need to make it.

We are developing our spatial reasoning skills and this helps us to decide how to make the best track.

Physical Development

We are developing our physical movement skills, core and body strength, agility, balance and coordination.

Understanding the World

We are using our senses to explore the world around us.

We are developing our confidence when exploring properties, and we are beginning to notice differences.

Personal, Social & Emotional Development

We are trying new things and developing our resilience.

WE are building up our friendships and relationships with other children and we can share our ideas with each other.

Communication & Language

We are learning to speak confidently in sentences and share our ideas using talk to organise our play and be in role.

Personal, Social & Emotional Development

We are extending and elaborating our ideas with other children.

We are beginning to solve problems and understand other children's feelings.

Communication & Language

We are learning to speak confidently in sentences and uses talk to organise our ideas and our play.

Understanding the World

We can use our senses to explore the world around us.

We can gain confidence when exploring properties, and we can begin to notice and talk about differences.

Physical Development

We are showing increasing control over tools and beginning to use one handed tools more confidently.

Maths

We are learning to use the language of more than and fewer than to compare quantities and we are beginning to solve problems.

Expressive Art and Design

We are taking part in role play in our mud kitchen.

Mrs V is waiting for her cup of tea!

Reading

The joys of snuggling somewhere comfy with a book!

I am able to choose a favourite book and explain why it is my favourite book. I am learning to retell my favourite stories independently.

Physical Development

I am developing good control when making marks and I am showing a preference for a dominant hand.
I am developing a strong pencil grip

Writing

We enjoy mark making with a range of equipment
I like to give meaning to my marks.
I can begin to write my name and some of my letters are formed accurately.
