Dear Parents/Guardians,

March 19<sup>th</sup> 2020

As you know schools across the country are closing from tomorrow. The government has asked schools and multi academy trusts to support 'Key Workers' by opening schools to provide childcare.

NPCAT will strive to enable all staff of critical services required during this pandemic to continue to function without removing themselves for childcare reasons. If you are a "Key Worker" but have other childcare capabilities, such as a partner who does not work or is able to work from home, please do not apply for this as spaces will likely be limited as the situation evolves. If your child qualifies under the 'Key Workers' list on the link please fill out the form.

Please fill out one form per child as soon as possible.

All information collected in this form will be destroyed after the COVID-19 pandemic has subsided.

Please note: EHCP and other students outlined in the vulnerable children group will be captured internally and we will inform parents when we have ascertained the scale of the task at hand.

Yours sincerely

Mrs M Brown
