

Easter Chick Origami Paper Craft

1 Fold one corner up so it is about in the middle of the paper.

2 With the fold at the bottom and facing up, fold over the corners on each side into the middle.

3 Turn over again and fold the corners on each side into the middle.

4 Fold the top point down to create the head.

5 Carefully pull the sides to form the top of the egg.

6 Fold the head up to form the beak.

7 Fold corners to the back to make a more rounded shape and finally, add some eyes.
