

## CAFOD: The Big Lent Walk

Lent 2023

Last year, we raised over £600 to support CAFOD in their mission of standing in solidarity with those who are most in need.

We are each planning a 'walk' (or walks!) to raise money and awareness. We will also remember the workers of CAFOD - and the people they help - in our prayers.

Our action plan is below:

EYFS	A water droplet trail around school
Y1	A water droplet trail around school
Y2	Walk around the playground before breaktime every day
Y3/4	Walk for CAFOD - every morning 9-9:15. Count our laps.
Y5	How many laps you can complete in a time limit? Stickers given for each lap
Y6	How many laps you can complete in a time limit? Stickers given for each lap
