

PE SKILL SCHOOL

CHALLENGE #2

BASKETBALL BINGO

HOW MANY SHOTS CAN YOU MAKE FROM 9 MARKERS?

RULES!

- 1) Place 9 hoops or markers in three rows of three.
- 2) Using one Basketball, take a shot from each of the 9 markers.
- 3) Score a point for each basket you score.
- 4) Each shot must be from a different marker.
- 5) Score as many as you can from your 9 shots.

TIPS!

- Hold the ball as high as possible when shooting.
- Push through with the shooting arm towards the basket.
- Push up through your knees to generate power.
- Use the non-dominant hand to help with aim.
- Take your time!
