Community Sharing

We would like to have a community sharing cupboard at the end of the school drive, that people can feel free to help themselves to if they need anything. People would also be able to donate to this too. Does anyone have a spare cupboard etc that they would be willing to donate so we can set this up? Please contact the school office if you think you can help.

Illness

Reminder - if your child is absent from school through illness please ring and let the school office know.
