

# St Hedda's Catholic Primary School

## Well done to our stars of the week:

in class 1 - Esther  
in class 2 - Aubree

## WONDERFUL WORK

Class 1 - Class 1 have shone so brightly this week with learning how to measure accurately in maths, recalling their knowledge about the Last Supper and how this is reflected in our Catholic Mass, as well as bug hunting and identification in forest schools !! They even had time, energy and bucket-loads of talent to practice and wow everyone in their Spring concert! ...and Get Well Soon to our two classmates who were too unwell to attend the actual performance. You should all be very proud of your achievements.

Class 2 - This week in Class 2 we have started a new topic of athletics in P.E and we have started learning about the Ancient Civilisation in Egypt. We found that the Ancient Sumer Civilisation invented the wheel and the laws, they also created the idea for 12 hours in a day and 12 hours in a night.

**God of peace, may your kingdom come.  
May fear strike no longer,  
let pain fade away,  
may earthly power be challenged,  
when it plunders the poor,  
and tramples on hope.**

**God of peace, may your kingdom come.  
Help us put away the weapons of war,  
help us destroy the tools of destruction,  
let earthly power be challenged,  
when it plunders the poor,  
and tramples on hope.**

**God of peace, may your kingdom come.  
Teach us to follow the ways of justice,  
teach us to walk the paths of truth,  
let integrity challenge the power that plunders,  
when it tramples the poor  
and pours scorn on our hope.**

**God of peace, may your kingdom come.  
Bring peace sweet as honey,  
bring peace like a shield,  
and may we be the challenge  
to earthly power that plunders  
and tramples on hope.**

**God of peace, may your kingdom come.**

**Amen**

## **Spring Concert**

Thank you to all those who attended the Spring Concert at English Martyrs this week. It was lovely to have so many members of our school community together celebrating our wonderful children. The children should feel very proud of their performances, their reading and singing. Well done everyone. Thank you to Mrs Kemp, Mrs Muir, Miss Scarth, Miss Bourke and Mrs Hegarty who are always willing to give up their time for St Hedda's.

## **Educational Visits**

We have a number of educational visits planned this term which we hope will be both enjoyable and beneficial for the children. The friends of St Hedda's are kindly contributing towards the cost of the visits, and school are also subsidising costs but we will need to ask for suggested contributions towards the costs of the visits. Planned visits include theatre and museum trips for class 2 and farm and local history visits for class 1.

## **Forest School**

Please note our Forest School session this week will be on Tuesday and not Wednesday.

## **Home Sporting achievement photos**

We would love more photos of your children enjoying and achieving at sport at home to add to our display in the hall. This could be at a competitive level, participating in a team or enjoying a lesson. It could also be enjoying a bike ride, playing football in the park or any other physical activity. Please forward your photos to the school office.

## **Well Done Sports Leaders**

We were delighted to award our sports leaders their bronze award this week, to achieve the award children had to lead challenges and clubs as well as contributing to assemblies. Mrs Harding from NPCAT sport came into school to award our well deserving leaders. The children are already well on their way to a silver award! Mrs Harding passed on lots of praise to all of class 2 who were noted by her team during their golf session for their excellent behaviour and participation.

## **Playgroup**

Our playgroup is open to all pre school aged children and is a relaxed opportunity to play and chat. The playgroup is based in our early years classroom every Thursday, 10-11am. Please mention it to anyone with little ones who might like to join us.
