

Well done to our stars of the week:

WONDERFUL WORK

Class 1 - In Class 1 this week we have been exploring and investigating plants and germination. We have also started a bean diary to record how long this will take. As mathematicians we have been making equal parts from a whole in Fractions and counting in 2's ,10's and 5's. We have some new class friends in the form of tadpoles who are proving very popular indeed!

Class 2 - Class 2 have loved taking part in art and P.E this week. In P.E we are doing athletics and tennis. The knowledge the children are able to articulate is fantastic. In art, we are looking at gradients and colour. Well done Class 2!

Forest School

Forest school will begin again this week, the next session will be Wednesday 15th May. During the next session the children will be making natural dyes and experimenting with tie dye. Small pieces of fabric will be provided to all children but if you would like to send in a larger item to dye e.g. a t-shirt or pillow case they can also use these. The item should be cotton or linen, and if it's a new item straight from the shop it will need to be washed and dried first to help the dye adhere to the fabric.

Year 6 SATS

Some of our year 6 children will be completing their Key Stage 2 SATS next week. Well done for all the hard work you have put in to preparing - we know you'll do your very best. We also know that SATs just tell a small part of your journey through primary school and can't measure all of your wonderful skills and qualities. Good luck!

Pentecost

We have invited Egton Primary to join us to celebrate Pentecost and share in Mass, some sports activities, a picnic and play on Wednesday 22nd May.
