

Stars of the week will be announced in assembly on Monday due to Class 2 Camp!

WONDERFUL WORK

Class 1 - Class 1 have had a busy week presenting their science project on plants and learning about ordinance survey symbols for maps in Geography. Tea at the Wilderness camp proved very popular and Year and 2 were great representatives for St. Hedda's at the T6 Academy football.

Class 2 - Class 2 really enjoyed orienteering this week at St Joseph's, Pickering. They helped our sports leaders develop new skills to bring back to school and promote with Class 1. We also enjoyed forest schools and making a large den all together.

Team Work! Well done!

Sports Day

Sports day will take place on the school field from 1:15pm on Tuesday 2nd July weather permitting. Children should wear their full St Hedda's PE kits.

Summer Camp

The summer camp out was a huge success with all the children. The children got to try archery, had a water fight, and even learnt all about survival! Activities on Friday including finding natural ways to filter water, building shelters and lighting fires in a range of ways. The day was finished with a snack to remember of meal worms and crickets! There were some extremely tired children after their night under canvas but a good time was enjoyed by all. Thank you to our friends of school for their contribution to this experience.

Postgate Rally

Please respond to the consent if your family would like to attend the Postgate Rally at Ugthorpe on Sunday 7th July.

PTFA Summer Raffle

We will be having a Summer Raffle (drawn at the Summer Fair - Friday 12th July), all children will be bringing home 1 book of raffle tickets to sell, please send any money and stubs or unsold tickets back to school, thank you. If you can sell more there are plenty available, please ask at the office.

TOMBOLA

We have also been given the opportunity to run a tombola at this years Egton Show therefore we would be very grateful for any donations of prizes towards this.

Healthy Packed Lunches

What children eat can affect their development and their ability to concentrate. School lunches are carefully planned to ensure that children have a balanced meal that meets their nutritional needs, please contact the school office to find out if your child could be entitled to a free school meal.

Children who bring a packed lunch to school also need a well balanced meal during the school day. **Children should not be bringing caffeinated or fizzy drinks, or sweets as part of their packed lunch.**

Please see the guidance on the next page to support making healthy choices as a family, or contact Mrs Bartoli if you would like further advice.
