Well done to our stars of the week:

Class 1 - Jorja

Class 2 - Aubree

In Class 1 - In Class 1 we have been exploring and summarising our story of 'Where the wild things are'. In Maths we have been estimating on a numberline and thinking about 1 more and 1 less. We started our learning about Seasons and weather in Science and had a super safe forest school session learning how to saw.

Also, in the Early Years we have been exploring waterways and enjoying threading with letters. In RE we have been thinking about our names and how wonderful it is that God knows us all by our own special name.

In Class 2 - In Class 2 we are really enjoying tag rugby in P.E. We even got to use tag belts! In Art we have been creating our own abstract art and overlay in the style of Austrian abstract artist Friedensreich Hundertwasser. In R.E we made a prayer tree. We have a lovely area to reflect and share our thoughts.

Bus

From Monday 23rd September we will no longer be using Esk Valley to run an additional bus at the end of the school day. All children will be transported using our school mini bus. Any families that may have their drop off time affected will be contacted directly, however, please accept our apologies for any minor delays whilst we settle into the new routine.

Playgroup

Playgroup is continuing to grow in popularity and is free and open to all pre school aged children every Thursday 10-11am. The next sessions theme is 'Going on a Journey'.

Sporting Events

This week Class 2 will be taking part in Dodgeball at Pickering and Cross Country in Whitby, please remember to consent via the Arbor app for these events.
