Well done to our stars of the week:

Class 1 - Nevaeh

Class 2 - Aubree

In EYFS and Class 1 - What a cold week we have had. This week we have started learning all about shapes in Maths, both 2D and 3D. The children have enjoyed learning names of shapes and their properties. We have played lots of games to help enhance our learning and made some snowflakes with different shapes to fit in with the cold weather!

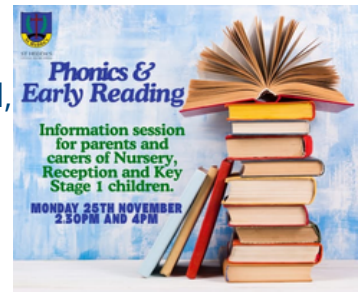

In History we have enjoyed learning about Modern day shops, we created our very own snack shop where the children had to create a shopping list and pay for their fruit. Early Years joined us and our shop keeper did an amazing job. We have done some lovely writing this week, creating adjectives for a setting. Well done everyone! Early years have been excellent snow explorers, we loved the ice even though it was very cold!

In Class 2 - This week in class 2 we have had so much fun in the snow! We even built our own snowman! We have worked really hard in writing to create a final piece, linking to our prior knowledge on Ancient Egyptians. In French, the children have been learning about emotions and in Music, the children have been learning songs and singing.

Phonics and Early Reading - MONDAY

Join us to learn about how you can prepare your child for learning to read, how phonics is used to teach reading and how you can inspire your child to become a reader.
