

St Hedda's Catholic Primary School

Well done to our stars of the week:

Class 1 - George

Class 2 - Louie

What a wonderful first week back to school we have had.

Class 2 have working hard in Maths, learning how to complete long division and multiplication. They have been writing their own poems, learning different types of poems and the features of poems. A visit from the North Yorks Moors was also enjoyed by all. The children learnt about habitats of different animals within the moors. As Class 2 are preparing for their visit to London on Tuesday, Years 5 and 6 have been reading A Midsummers Nights Dream ahead of their visit to the Globe Theatre.

Class 1 have been busy creating art work by printing using objects from around the classroom and exploring the artwork by Karen Lederer. We have enjoyed learning about special people in RE and the qualities that special people have. We have been excellent mathematicians in class 1 this week, we have been mastering our number bonds to 10 and using base ten to complete addition.
