14. Is there anything else you would like to tell us about Catholic life and mission, religious education or prayer at this school?

We are a non Catholic family, however both my children enjoy their RE lessons. They especially like them when they are more hands on and fun since they are all only young. They benefit from seeing how working with the Catholic communities, for example when there is fundraisers on to raise money for people less fortunate than them, it's taught really well and they all show kindness to one another as well.

It's a great school for any child to develop and succeed in life
