Well done to our stars of the week:

Class 1 - Jason

Class 2 - Harrison

In Class 1 and EYFS - Another wonderful week for class 1. We have all been working really hard mastering our number bonds to 10 and some even to 20! We have continued with addition and subtraction using base 10 to help us with our learning. In English we have finished our recount all about Christmas Day. We have even included exclamation marks in our writing. We have been exploring the Equator this week in Geography, the children were very knowledgeable about what the Equator is and what the weather conditions are like near the Equator. We have learned some new vocabulary which the children have used in their discussion.

This week in collective worship we have taken time to think about those in LA affected by the fires. We have reflected on this, created our own class prayer and added to our 'Jar of Hope'. Class 1 hopes that everyone manages to stay safe.

In Class 2 - This week we loved our trip to London. It was so exciting to see The Houses of Parliament because we got to see a live debate in the House of Lords and Commons. The Globe Theatre was another highlight because we stood where many actors have previously stood. We can't stop talking about how amazing this trip was! We can't wait to start our new writing topic, debating all about the Houses of Parliament. Well done Class 2 for 'Letting your lights shine!'

THE WEEK AHEAD:

London

I was incredibly proud of class 2 on Tuesday during our visit to London. Their behaviour and attitude were both impeccable during a very long and tiring day. The visit was a huge success and the visits to Parliament, Shakespeare's Globe and The Natural History Museum will hopefully stay with the children for a long time.

Swimming

Swimming sessions continue on Fridays on at Whitby Leisure Centre up to and including Friday 14th February.

Packed Lunches

Please be reminded that packed lunches should be healthy and include a range of food groups.

Nuts, sweets, and products containing caffeine are not permitted.

Take a look at more guidance here: <https://www.nhs.uk/live-well/eat-well/food-guidelines-and-food-labels/the-eatwell-guide/>

Prospectus Photoshoot

On 30th January a photographer will be coming into school to take photographs of the children for a new prospectus. Please ensure that your child is wearing full school uniform including proper footwear and no jewellery.

SEND Meetings

If your child is on the SEN register you will have received a message inviting you to a support plan review meeting. Please confirm your attendance with the office.
