

St Hedda's Catholic Primary School

Class 1 - Adon
Class 2 - Aubree

In Class 1 - Class 1 have been very curious this week exploring different fossils, just like Mary Anning. The children had lots of different stories to tell about collecting fossils themselves.

In maths we have been measuring objects from our classroom, first with cubes and then using centimeters. We have finished our stories this week using adjectives and adverbs. Early years have been using their gross motor skills this week, climbing and using bikes.

In Class 2 - This week class 2 have participated in the music classes at the Eskdale Festival. The children were amazing and sang beautifully. We also had an online visit from Mabel Banfield-Nwachi, a reporter at the Guardian. She informed us about looking for good news and fake news. We have had a very busy week, we also got to listen to the NFU talk about sustainable farming. Year 3/4 are starting a new topic on mass and capacity and year 5/6 are continuing their learning on area, perimeter and volume.
