Peat Rigg

What an incredible few days! We are so proud of every single child who has excelled themselves with both their behaviour and attitudes and also their willingness to try new things and have a go. A huge thank you to Miss Scarth, Miss Dale and Miss Bourke for being incredible visit leaders and always going above and beyond for St Hedda's.

Skate School

This week started with a brilliant skateboarding workshop that gave pupils the opportunity to try a new sport. Everyone engaged really well with the workshop and even had a go at riding a ramp!

Beach School

Mrs Kemp attended some beach schools training this week so that we are able to enhance our curriculum with some additional opportunities for outdoor learning. Beach school is planned to begin during the week beginning 28th April. More details to follow but children will be expected to bring with them suitable layers for all weathers.

Hedda's Heroes

We are trying to share our wonderful school with as many families as possible. In addition to our Thursday morning playgroup we have added another Tuesday morning group which will be focussed on physical development and give little ones some opportunities to release some energy and have fun! Please spread the word and share our posters.

Wraparound Care
