Beach School Session

Friday 16th May

In Class 1 - This week in class 1 we have been continuing to look at the book 'There's a Rang-tan in my bedroom', this involved the children looking at how the rainforest is in danger. The children enjoyed thinking of ways in which they can protect the environment. In writing this week we have begun looking at poems in the theme of nature. In maths we have continued exploring money, we have looked at giving change and how many pence in a pound. This then helped the children to work out real life problem solving questions. In Geography this week we have enjoyed creating an imaginary map for 'were going on a bear hunt'. The children were then able to follow the map and create the setting outside. We enjoyed a VE day picnic with the rest of the school on Thursday, followed by Beach schools!

Early Years have enjoyed all things worms this week. They have been counting and measuring worms and learning its about the environment.

In Class 2 - This week has been full of exciting activities and celebrations! We marked VE Day in style with our very own street party, complete with singing and plenty of community spirit. Our Beach School sessions continue to be a highlight, as we explore the shoreline and grow increasingly curious about the fascinating nature found right on our doorstep. Lower KS2 had a fantastic time taking part in the Tri Golf event at Whitby Golf Club, showcasing great enthusiasm and teamwork. Meanwhile, in the classroom, we've launched our new writing topic, where pupils are learning how to construct balanced arguments by exploring both sides of an issue.
