Stars of the week

Class 1 - Jasper

Class 2 - Aubree

In Class 1 - This week has been another busy week practising for our upcoming play on Friday evening, everybody has been getting into character and the dress rehearsals have been great! We can't wait to show you all.

This week in Early Years we have been weather presenters. We have been watching the forecast and making predictions on the weather. We made some weather bottles too, these were great and enjoyed by all. We have done lots of building using different sized bricks making sheds for our trains and cars and 'St Hedda's Cafe' has been open each day making tasty treats for others to enjoy. Class 1 has continued to impress us all with their kindness, patience and determination this week. Well done all and keep it up!

In Class 2 - Class 2 had a fantastic trip to Blakey, where we explored the beautiful moorland and learnt all about its unique environment. The children discovered the important roles of gamekeepers, bee keepers, and mountain rescue teams, as well as the impact of sheep grazing and the significance of moss in the ecosystem. We even discussed fire and rescue services that help protect this vital landscape. It was a wonderful, hands-on learning experience enjoyed by all. We also had the honour of visiting the Riverside Stadium in Middlesbrough for the annual NPCAT Sports Awards, where we were absolutely thrilled to receive the award for 'School of the Year'—a proud moment for everyone! Back at school, we've been busy rehearsing for our end-of-year play and can't wait to share it with our friends and families soon.

NPCAT Sport's 'School of the Year'

We were thrilled to beat tough competition to be named 'School of the Year' at the award ceremony held at The Riverside Stadium this week. Sport is central to our offer at St Hedda's and we are so proud of the diverse range of opportunities we offer our pupils. It has been a real team effort to create our high quality PE teaching and wider curricular offer but special thanks and congratulations to Miss Scarth who leads PE for our school.

A special well done also to our sports leaders who were awarded their platinum trust mark and to sports personalities of the year Eva and Callum.

A Midsummer Night's Dream

Thank you to everyone who came to watch our performance. The children and staff have all worked incredibly hard to pull the show together in an unbelievably busy half term and their efforts are so appreciated.

Well done for the fabulous singing and acting - you really let your light shine!

Special thanks to Mrs Kemp for sourcing and making costumes and scenery, and to Miss Bourke for crocheting the fairies headbands. Thank you to all staff for always unquestioningly give up their time for our school.
