In Class 1 - During Lent, class 1 have been spending some quiet time reflecting and thinking about kindness, helping others, and ways we can make good choices each day. We also enjoyed taking part in our Lent walk. During bike lessons we have been building confidence, practising balance and control, and cheering each other on. We have also been having lots of creative fun with paint, especially squeezing and experimenting with colours to create different patterns and pictures. The children loved exploring the textures and watching the colours mix together. We had a fantastic time celebrating World Book Day. The children looked amazing in their costumes and really enjoyed dressing up as their favourite characters. Throughout the day we took part in a range of activities inspired by Julia Donaldson stories. Well done to our Eskdale Festival performers, all the practising paid off and they made us all proud.

Well done Class 1 for all your hard work and for continuing to let your light shine!

In Class 2 - This week in Class 2 has been full of excitement and wonderful achievements! We were thrilled to welcome our new class pet, Hei Hei, who has already become a very popular member of our classroom. The children also did an amazing job performing at the Eskdale Festival, showing fantastic resilience, confidence, and determination. We celebrated World Book Day and explored our love of reading through music. The class had great fun creating their own lyrics to tell a story through song, inspired by The Gruffalo. It has been a joyful week of creativity, teamwork, and proud moments for everyone.
