**In Class 1** - Class 1 has enjoyed a busy and exciting week of learning! This week, we have been learning all about rail safety, exploring how to stay safe around trains, railway stations, and level crossings. The children showed great understanding and enthusiasm as they took part in discussions and activities linked to this important topic. We have been reading *The Scarecrows' Wedding* by Julia Donaldson as we prepare for our upcoming summer show. The children have loved getting to know the characters and joining in with the story, and we are looking forward to sharing our performance with you soon. Our outdoor area has been a hive of activity, with lots of digging, building, and imaginative play taking place in the sandpit. The children have worked together brilliantly to create roads, castles, and construction sites while developing their teamwork and problem-solving skills. On Wednesday, Reception and Year 1 enjoyed a wonderful visit to Senses, where they took part in an engaging drumming session. The children had great fun exploring rhythm and making music together before spending time in the sensory room, enjoying the calming lights, sounds, and sensory experiences. On Thursday, we all visited Whitby Abbey to recap our Geography learning about human and physical features. The children enjoyed exploring the site and identifying examples of both types of features in the surrounding landscape. It was a fantastic opportunity to bring our classroom learning to life and deepen our understanding of the world around us. We are very proud of all the children for their enthusiasm and excellent behaviour throughout the week. Well done, Class 1!

**In Class 2** - Despite the absence of our beloved Year 6's we have had a great week in Class 2! We all really enjoyed the golfing competition at Whitby Golf club and turned Sports reporter to record this in our English lessons. Scripts are out and we have begun learning our lines and songs for the much awaited end of term performance.

Following an energetic whole school session at Senses in Skelton, using rhythm and movement to develop our coordination and core strength, the highlight of the week was a trip to our wonderful Whitby Abbey testing our geographical knowledge and exploring local history first hand. Amazing job Class 2!

Looking forward to seeing you on Monday Year 6!!

### **Summer Raffle**
