Dear Parents,

This Sunday's Gospel reminds us how we can live happier lives by giving God what is due to him. But what is due to God in our own lives? Surely our thankfulness would be a good answer to this question.

In this Sunday's Gospel we read about the Samaritan who thanked Jesus. For us too, there are many blessings in life for which we can be thankful and it's always worth giving thanks to God.

Being thankful to God puts us in the right frame of mind. It is good for our well-being and helps us to be happy in life.

Enjoy Family Time together.
