Coronavirus

Dear Parents.

At St Joseph's we are closely following the DfE and Public Health England advice on how to try and ensure that the coronavirus is not caught or spread. Children are washing their hands at several points in the school day and surfaces such as handrails etc cleaned especially carefully. I would be grateful if you could support us in our preventative measures by following the current guidance and ensuring children wash their hands in warm soapy water for the suggested 20 seconds before they set off for school each day. Thank you for your support with this.

Yours sincerely

A G Toward

Head Teacher
