This Week

ParentPay

Thank you to those who have already activated their accounts. This service will go live on Monday 9th March.

Y2 Class Assembly

Thank you to Y2 for telling us all about St David in their assembly on Monday. They had found out lots of facts and stories about him. They even found one that said that St David advised soldiers to wear leeks in their hats so that they could easily be distinguished from their enemies, which is why the leek is one of the emblems of Wales. I wonder if that one is true!

Dear Parents,

In this Sunday's Gospel we see how Jesus encouraged his disciples.

There are times when we all need encouraging: that is, to be inspired with courage and to have our hope renewed, especially when we are going through difficult times. If, like the disciples we too listen to Jesus, we will experience the encouragement God offers freely to us one of us.

Celebrating Books and Numbers

The children (and staff) had made a huge effort yesterday and come dressed as all sorts of book characters as well as some good outfits linked to Maths. Well done! Classes did some fun maths investigations and our older children read with younger ones yesterday afternoon. Classes were also treated to a different class teacher reading one of their favourite stories to them at the end of the day.
